

## Luggage and Cargo

### Carry-On Luggage (free)

Each passenger is permitted to carry on personal travel items in up to two suitcases (or similar hand-carry cases or bags), where the weight limit for each case is 20 kg (44 lb) and the size limit is 2 meters (just over 6 1/2 ft) in any dimension. No fee is charged for carry-on cases that meet these limits. Large items such as bicycles and surfboards should be brought on as cargo, for which a fee is applied (see below); such items will be subject to an additional carry-on fee if carried on board.

### Cargo (charged)

Large items should be brought on as cargo, for which a fee is charged as indicated below. Items shipped as cargo are loaded into a container and cannot be accessed again until disembarkation at Chichijima. We do not accept advance reservations for cargo.

#### Reception Area

Bring cargo items to the seaside reception area inside the terminal. Cargo is accepted from 8:30 to 9:30 AM.

#### Typical Cargo Items not Accepted

Construction materials, hazardous materials, electrical products, furniture, motorcycles larger than 126cc's.

#### Typical Fees

Typical suitcase or bag .....	1,150 yen
Bicycle or moped (to 50cc) .....	3,538 yen
Surfboard .....	1,575 yen

*(Fee per item, one-way to Chichijima, exclusive of fuel surcharge.)*

- We also accept cargo bound for Hahajima. (Fees are not the same as to Chichijima.)
- Refrigerated shipment is available for a 30% additional charge.
- Please purchase shipping insurance for any item valued at more than 100,000 yen. The insurance fee is 350 yen per each 100,000 yen of insured value.
